The goal of the Urban Lecture Series is to model conversations that build bridges of understanding and redemptive action between faith communities and the public square on behalf of those who are most vulnerable. We hope to engage life's most demanding questions and the people pushed to the edges by finding centers that hold.

Hosted by:

**Center for Transforming Mission, Northwest Leadership Foundation, St. Leo Parish,
Urban Grace Church, Immanuel Presbyterian Church, & Pacific Lutheran University's
Center for Community Engagement and Service**
