

September 14, 2017

Dear Members and Friends of Urban Grace Church:

As the Co-Chairs for our capital campaign at Urban Grace this fall, we are pleased to announce the beginning of our ***Building Together*** Campaign.

This effort will help us better serve our congregation and community by upgrading our plumbing and hot water access in our facilities; creating an additional ADA bathroom on our first floor; repairing our roof; and making improvements to our security, sanctuary, kitchen and building infrastructure.

Completing these key projects will allow Urban Grace Church to continue – and enhance – the powerful ways in which we serve one another, and our community in welcome, hospitality, worship, formation, and mission. By challenging ourselves to be successful in this campaign, we will be able to strengthen our facilities for service today and into the future. Imagine what we can do together!

Urban Grace has engaged Marc Rieke from The Enrichment Group, professional consultants, to guide us in our work. Marc has provided tremendous help to more than 80 congregational campaigns, and brings the experience, expertise and effectiveness to lead us to the successful conclusion of our campaign.

Our campaign will focus on spiritual development to encourage Christian growth and commitment. The process will provide many opportunities for you to become involved through storytelling, prayer, informational meetings, and other activities. We need your help to be successful. Please give prayerful consideration to helping if you are contacted by a member of the campaign team.

In the next few months you will be receiving some special publications which will give you the full details of our ***Building Together*** Campaign. Please watch for these as well as announcements in worship.

This is an exciting time to be a part of the Urban Grace family. We are moving forward toward a future with great possibilities to grow in Christ and to share God's love with others. Please join us and our campaign team in this effort. We look forward to working in partnership with you.

In Christ,
